

Reminders from your friends at Bell's

Remember the free Family Sitting- Expires Graduation Day

Memory Videos are a great gift for seniors.

You can watch them and remember when they were young,
watch them as they started high school, and as they grew up.

Time flies by so quickly.

This is a gift that will be treasured forever.

**Guess Book boards are a great idea for
the graduation party.**

**Have guests sign it and you'll have a
keepsake to treasure.**
